Date filed: February 12, 2008
Global Connect Telecommunications, Inc. and affiliates
Form 499 Filer ID: 824742
Name of signatory: Raymond Sinani
Title of signatory: CEO

Dear Ms. Dortch:

I, Raymond Sinani, certify that I am an officer of the company named above, and acting as an agent of the company, that I have personal knowledge that the company has established operating procedures that are adequate to ensure compliance with the Commission's CPNI rules located at 47 C.F.R. §64.2001 et seq.

Attached to this certification is an accompanying statement explaining how the company's procedures ensure that the company is in compliance with the requirements set forth in section 64.2001 et seq. of the Commission's rules. COMPANY and its affiliates are strictly providers of voice over Internet protocol ("VoIP") services, and as such, have not been required to file annual CPNI certifications until last year.

If any further information is required, please contact me or our regulatory counsel Kristopher Twomey at 202 250-3413 or by email at kris@lokt.net.

Sincerely,

Raymond Sinani
CEO

CPNI Compliance Statement and Operating Procedures of NAME

Pursuant to the requirements contained in *Implementation of the Telecommunications Act of 1996: Telecommunications Carriers' Use of Customer Proprietary Network Information and Other Customer Information; IP-Enabled Services*, CC Docket No. 96-115; WC Docket No. 04-36, Report and Order and Further Notice of Proposed Rulemaking, 22 FCC Red 6927 (2007)(“EPIC CPNI Order”),¹ Raymond Sinani, CEO of Global Connect Telecommunications, Inc. and affiliated entities makes the following statement:

Global Connect Telecommunications, Inc. has established policies and procedures to comply with the Federal Communications Commission's (FCC) rules regarding the use, disclosure, and access to section 64.2001 et seq. of the Commission's rules, 47 C.F.R. § 64.2001 et seq. These procedures ensure that Global Connect Telecommunications, Inc. is compliant with the FCC's customer proprietary network information (CPNI) rules. The purpose of this statement is to summarize Global Connect Telecommunications, Inc.'s policies and procedures designed to safeguard CPNI.

Global Connect Telecommunications, Inc. uses CPNI for the limited purposes of initiating, rendering, billing, and collecting for telecommunications services, and may use CPNI, if necessary, to protect its property rights. Global Connect Telecommunications, Inc. does not disclose CPNI or permit access to such CPNI to any third parties other than as necessary to provide service.

Global Connect Telecommunications, Inc. has established procedures to verify an incoming caller's identity. Global Connect Telecommunications, Inc. trains its personnel in both the use of CPNI, and protection of its confidentiality. These procedures are detailed in Global Connect Telecommunications, Inc.'s CPNI Manual. Global Connect Telecommunications, Inc. also limits the number of employees that have access to customer information and call data.

Global Connect Telecommunications, Inc. has implemented measures to discover and to protect against unauthorized attempts to access CPNI. Global Connect Telecommunications, Inc. also has implemented procedures pursuant to which it can track breaches of CPNI, and given such an event will notify the United States Secret Service and the Federal Bureau of Investigation in accordance with the FCC's rules. Global Connect Telecommunications, Inc. will track customer complaints regarding

¹ 47 C.F.R. S: 64.2009(e) states: “A telecommunications carrier must have an officer, as an agent of the carrier, sign and file with the Commission a compliance certificate on an annual basis. The officer must state in the certification that he or she has personal knowledge that the company has established operating procedures that are adequate to ensure compliance with the rules in this subpart. The carrier must provide a statement accompanying the certification explaining how its operating procedures ensure that it is or is not in compliance with the rules in this subpart. In addition, the carrier must include an explanation of any actions taken against data brokers and a summary of all customer complaints received in the past year concerning the unauthorized release of CPNI. This filing must be made annually with the Enforcement Bureau on or before March 1 in EB Docket No. 06-36, for data pertaining to the previous calendar year.”

CPNI, notify its customers in accordance with the FCC's rules and will maintain a record of notifications to the USSS, FBI, for the time period specified in the FCC's rules.

The Global Connect Telecommunications, Inc. has not taken any actions (proceedings instituted or petitions filed by a Global Connect Telecommunications, Inc. at either state commissions, the court system, or at the Commission against data brokers) against data brokers in the past year. Companies must report on any information that they have with respect to the processes pretexters are using to attempt to access CPNI, and what steps companies are taking to protect CPNI.

Global Connect Telecommunications, Inc. annually submits a CPNI certification to the FCC from an officer with personal knowledge of the policies and procedures that it has implemented to safeguard CPNI.
